A LETTER FROM HERB CAEN

SAN FRANCISCO EXAMINER

MARKET & THIRD STREETS

SAN FRANCISCO, CALIFORNIA

DEAR GLADYS REECE:

I'VE GOT NEWS FOR THE HIGHWAY AUTHORITY: BRISBANE WILL NEVER BE BYPASSED AS LONG AS THE BYLINE IS PUBLISHED!

THANKS A MILLION FOR KEEPING ME ON MY TOES.

HERE'S ONE YOU MIGHT BE ABLE TO HELP ME ON BEFORE IT HITS THE COLUMN. IS YOUR CITY NAMED AFTER ARTHUR BRISBANE?

BEST,

HERB CAEN.

****

ED.'S NOTE: In answer to the above letter from Herb Caen, we told him that Brisbane WAS named after Arthur Brisbane. We also told him that although Brisbane was small in size, it was large in HEART. We thanked him for his kind letter--and we anxiously await his column in which he will take up the fight for our overpass or underpass. With people like Herb Caen on our side, surely, we cannot fail! The fight is on, and things are looking UP!

RON WRIGHT'S SPORT COLUMN:

The Jefferson varsity football team lost their first game of the season, and almost all chances at the P.A.L. championship, last week when they lost to Palo Alto by 21 points. The game was poorly played, and we should have lost by a lot more than that. Our line didn't seem to be holding as much as it should. Although the line charge was very good they just couldn't get all those plays. The Palo Alto squad used almost all end sweeps in their running attacks. Also, the tall ends that made most of the touchdowns. The play that was working was the 24 S trap--wherein the right half goes between left tackle and center, and 247, wherein the right half goes through left tackle and end. Almost no gain was made around the strong side, and although three passes were tried--they were not complete.

****

The Jefferson 120's basketball team won the P.A.L. championship last Thursday when we won over South San Francisco. The boys from Brisbane on the first string 120's are; Don Delbon, center; Don Rose, guard; Bud Silva, forward; and Ray Record, forward. Ray Record was named "Captain of the year" by his teammates. The Jeff 120's are playing the St. Ignacius team (champions of S.F.County) at the Cow Palace on December 12th.

****

The Brisbane 110's lost to St. Charles School by 35-17. Leo Villar was highpoint man with 14 points.

The Brisbane 120's won their game with St. Charles School by 45-20. Local boys on this team are; Delbon, Crawford, Blanchard, Rose, Silva, and Trantham.

****

So long, until next time.

--submitted by RON WRIGHT,
your sportscaster.

THE THANKFUL MAN IS ONE WHO DIDN'T EAT TOO MUCH!!

REPORT FROM BRISBANE COMMUNITY IMPROVEMENT COMMITTEE:

This letter is addressed to the people in Brisbane who are interested in seeing our community become one that far more favorably compares with the natural beauty of its setting.

Are you interested in seeing the vacant property cleaned up and kept that way? In seeing that old, abondoned buildings are destroyed, as an eyesore and a public menance? In having our streets improved, particularly the gutters, and in promoting a community spirit amongst your neighbors in the laying of sidewalks?

You will be interested to know that the School District is going to have a fence-to-curb sidewalk the entire length of the school property on San Bruno Avenue--paid for by the School District--and still no bond issue. That is real community spirit!

If you are interested in the above things--you are urged to attend a public meeting to be held on Monday DECEMBER 4th--8 p.m.--at the AMERICAN LEGION HALL. At this meeting, plans will be made to accomplish these improvements.

These are just a few ideas on how our community can be improved. No doubt there are many more--and YOU are requested to bring them up at THIS MEETING!

Please attend, and lend your moral support. With a little effort we could have a beautiful community because NATURE HAS GIVEN US THE BACKGROUND!

And watch the BYLINE for future important announcements!

LETTER FROM A SERVICE MAN:

Dear Gladys: I thought it time I dropped you a line to let you know I am still receiving the BYLINE every week. How are things around Brisbane ---the same as ever, I suppose. The years seem to come and go--but Brisbane STILL REMAINS THE BEST TOWN ON THE PENINSULA! There is nothing new with me--same old grind. Going to school and learning a little more every day. I still think it is pretty swell of you to send us fellows the paper the way you do--and I think that if you ever ran for any office in Brisbane--(when we servicemen get back)--you would win by a landslide! With everyone knowing the good deeds you are doing--how could you lose? Must close for now--I am, as ever, your friend--RICHARD (PORKY) HATCH--K.A.F.B.-Bilioxi,

NO FUNERAL BILLS TO PAY!

We recommend this low-cost plan, issued by FOREST LAWN LIFE INSURANCE COMPANY. Regardless of how little has been paid in, cash for funeral expenses is immediately available!

GARDEN CLUB NEWS:

If you see women around town, shopping, with wisps of yellow or maize, or chartreuse colored hair--or if their rainy-day shoes are all colors of the rainbow--and perhaps a smudge or two of green paint on the nose---think what the local Garden Club must have done to those weeds and branches and leaves they have been painting. At two meetings the preparation has been going on to get ready for the Bazaar which the American Legion Auxiliary is holding on Dec. 1st and 2nd, at the Legion Hall. Table decorations for Christmas, and everyday flower arrangements--potted plants--and other interesting bric-a-brac will be put on sale by the Brisbane Garden Club.

BOARD TABLES RENT DECONTROL:

The San Mateo County Board of Supervisors has decided to do nothing on decontrolling rents in the county's unincorparated districts unless new action is instituted by landlords.

The board has dropped from its agenda consideration of a petition signed by several hundred persons, asking that a hearing be called on decontrol. Supervisor Edward R. McDonald, acting as chairman in the absence of Alvin S. Hatch, who is ill, said that 95 percent of the signers of the petition gave addresses in incorporated cities, over which the board has no jurisdiction. (Wonder what happened to the three petitions signed by Brisbane residents?).
